**Resort Info:** When you visit Steamboat, you're visiting a genuine Colorado mountain town that's steeped in history, surrounded by ranches, barns, horses and cattle, and just so happens to boast one of the biggest and best ski mountains in the US. Steamboat knows how to put western hospitality to work: this place is real, genuine and friendly. There are two main areas for shopping, dining and recreation: Gondola Square (base of the mountain, location of our hotel) and downtown Steamboat Springs. There is a great free bus system to get you wherever you want to go, with the Ptarmigan Inn within 200 yards of the bus route.
